Special Used Airspace (SUA)

In **desktop*StrePla** the airspaces can be represented in LX, OpenAir- and Tim Newport Peace format. You will find a large amount of airspace data in these formats on the internet. One address is:

<http://soaring.gahsys.com/SUA/HomePage.html>

Note: Prices in US dollars are shown given exchange rate of 1.18, and can vary daily. Purchase price is charged in EURO. All prices are download prices. All prices without TAX. Orders will only be executed with direct debit authorization inland, and only cash in foreign countries. The price list is only for information. We will allow ourselves to make price changes at any time. See the actual price on www.strepla.de.
